### To all readers:

Lots of people wonder why our yearbook is called the Howler. Well, we'd like to clarify this for you.

Back when our university was located in Wake Forest, NC a tree was the local hot-spot. The many flyers, posters, and announcements tacked onto it "Howled" out the news to all, earning its name - Howler.

This name was adopted by the yearbook staff as appropriate for the publication.

Voyager capped its historic 4.43 billion mile, 12 year tour of four planets when it skimmed 3,048 miles over Neptune's north pole in August, then dove past Triton, the planet's largest moon. It made its closest approach about 23,900 miles above the moon's surface at 2:10 AM on 8/25/89. Voyager was nearly 4.5 billion miles along a curving path that took it from Earth in 1977, past Jupiter in 1979, Saturn in 1981 and Uranus in 1991, and now past Neptune in search of the edge of the solar system.

A fiery explosion in a giant gun turret rocked the refitted battleship, USS Iowa, killing 47 sailors and injuring many others. The explosion occurred on April 19, 1989, in one of the ship's three 16-inch gun turrets as the ship was taking part in a gunnery exercise.

The Goddess of Democracy, a replica of the Statue of Liberty, stands in Tiananmen Square, where pro-democracy protesters once marched. Protesting began on April 15 with a call for talks on increasing social freedoms. Martial law was declared on May 20 and on June 3, troops opened fire killing up to 3,600.

The Exxon Valdez, a 957 foot tanker, struck Bligh Reef ripping holes in its hull, gushing millions of gallons of thick crude oil into pristine Prince William Sound. The result was the largest oil spill in US history. Thousands of workers helped scrub the oil-fouled shorelines. Exxon pulled its cleanup crews for the winter, and said it will re-evaluate the shorelines next spring and decide at that time whether to resume the cleanup on a large scale.

Miss Missouri, Debbie Turner, a minibus playing veterinary student from the University of Missouri, was crowned Miss America 1990 in September. She tugged first runner-up Miss Maryland, Virginia Cho, and gave a thumbs-up sign to the audience before heartily walking the runway. Miss Turner is the third black woman to become Miss America in the pageant's 68-year history. She succeeds Miss America 1989, Gretchen Elizabeth Carlson of Minnesota.

United Airlines pilot, Captain Al Haymes, declared "there is no hurt" in the fiery DC-10 crash in which survivors outnumbered fatalities. Of the 296 passengers, 185 survived. The flight crew never doubted the stricken jetliner would make it to Sioux Gateway Airport, where the plane crash-landed short of a runway, flipped and broke apart.

Cincinnati Reds Manager Pete Rose, one of the greatest players in the history of baseball, was banned for life from the game for betting on his own team. Baseball's most prolific hitter will still be eligible for election to the Hall of Fame in 1992. "I've been in baseball three decades and to think I'm going to be out of baseball for a... period of time hurts."

Leaving a trail of death and destruction across the Caribbean, Hurricane Hugo smashed into the coastal city of Charleston, South Carolina on September 22, 1989. Hugo's 135 mph winds snapped power lines, toppled trees, and flooded the low-lying areas of South Carolina, causing more than half a million people to flee and leaving thousands homeless. Congress readily approved \$1.1 billion in emergency aid for the victims of Hurricane Hugo, Capitol Hill's largest disaster relief package ever.

Millie, the First Family's springer spaniel, gave birth on St. Patrick's Day to four puppies at the White House beauty parlor. Bush said, "I never thought we'd go through something like this again -- after six kids and 11 grandchildren. But it's a whole new thing. It's exciting."

At 42, Kareem Abdul-Jabbar, the oldest player in NBA history, retired, taking his unstoppable skyhook with him. Kareem said after his final game: when asked about retirement, "It really hasn't set in, as far as deeper meanings. I'm just thankful I've been able to last this long and walk out the door."

With the strength of his arm and the power of his will, a paraplegic completed a weeklong ascent of El Capitan and said his 3,200-foot climb proves the disabled can accomplish great feats. Mark Wellman, accompanied by his friend Mike Corbett, reached the summit seven days and four hours after they left the Yosemite Valley floor. "My whole thing in life is finding another way to do it, whether that be skiing, kayaking, or whatever," said Wellman.

Political problems in the Middle East continued this year. Problems between Arabs and Israelis continued and the factions within the Arab population made Beirut a constant war zone.

At 5:04 p.m. on October 17, the earth shook in northern California. An earthquake that measured 7.0 on the Richter Scale destroyed parts of Oakland and San Francisco and surrounding areas. More than 60 were killed, hundreds were injured and the damage topped \$2 billion.

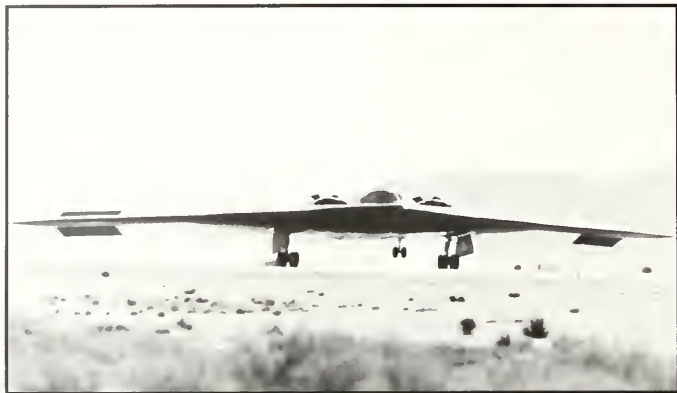

William Bennett is the man appointed by President Bush to end the use of illegal drugs in this country. Bennett says he wants to extend the concept of drug-free schools nationally and make punishment a fact of life for drug dealers. He is shown here during a recent speech.

Leaders of the seven most powerful Western nations gathered in front of the Louvre Pyramid for the opening session of the Economic summit in Paris. They are (l/r) EC President Jacques Delors, Italy's Ciriaco de Mita, West Germany's Helmut Kohl, President Bush, host French President Francois Mitterrand, Britain's Margaret Thatcher, Canada's Brian Mulroney and Japan's Sosuke Uno. A pledge was made to address the environmental problems that threaten the planet, and they endorsed a significant strategic switch in the way rich countries cope with the Third World's staggering \$1.3 trillion debt.

The Supreme Court has limited the power of states to outlaw the desecration or destruction of the American flag. Justice William Brennan, writing for the court, said, "We do not consecrate the flag by punishing its desecration, for in doing so we dilute the freedom that this cherished emblem represents."

# Beyond Reynolda

The \$530 million Stealth Bomber made its debut this year in the rave reviews of the Pentagon. However, its many critics say the plane, although difficult to detect by radar, is too expensive. Their criticism was fueled by the Stealth Bomber's less than stellar performance during the December invasion of Panama.

More than 50,000 people gave President Bush a hero's welcome at the worker's monument where Solidarity was born in a wave of labor upheaval. Bush told the cheering crowd that their struggle had produced "a time when dreams can live again" in the democratic transformation of Poland. Before taking leave of the workers, Bush and Walesa together touched the monument and raised their arms and gave the "V" for victory, a sign used by Solidarity.

More than 61,000 boat people fled Vietnam in the first eight months of this year, a figure higher than any full year since 1981, and Hong Kong is bearing the brunt of the influx. Most of the newcomers in the British colony face forced repatriation as "economic migrants" because only those boat people who arrived before June 16, 1988, were automatically considered to be fleeing political persecution. Although Communist Vietnam is encouraging the voluntary return of migrants who are refused refugee status, only 260 have gone back despite formal assurances that they need not fear any reprisals.

The Rolling Stones launched their 1989 tour August 13 when they pulled into a tiny New Haven, Connecticut nightclub for a tuneup that thrilled 700 fans who paid \$3 a piece for the impromptu gig. Members of the band are (l/r) Ron Wood, Mick Jagger, Keith Richards and Bill Wyman. This tour is the Stones' first in eight years.

This is unquestionably one of the most famous photos printed last year. This single unidentified man standing boldly in front of the Chinese tanks became a symbol for all of the nameless masses who stood up for freedom during 1989. Whether in East Germany, Romania, Poland, or Lithuania their defiant and indomitable spirit was the same.

# A Classic: Opening Convocation

On September 5, 1989, the Wake Forest community convened in Wait Chapel for Opening Convocation. Mr. Arthur Ashe, a former Wimbledon champion, delivered the Convocation address. The title of this year's address was "Academics Come First."

Mr. Ashe challenged the audience individually at Opening Convocation to excel by identifying the Critical Minimum Effort and exceeding it.

Several members of the Wake Forest community were honored following the address. Professor Emeritus Anne S. Tillet received the Jon Reinhardt Award for outstanding teaching. President Thomas K. Hearn, Jr. conferred an honorary Doctor of Laws degree upon Mr. Ashe.

Displayed at Opening Convocation were the new candlesticks and cross made from the old Quad elms.

# Running for the Top

This year's men's cross country team exemplified dedication and enthusiasm in not only capturing its first ACC Championship but also ranking third in the nation. The 1989 team succeeded in placing four runners on the All ACC Team: Bill Babcock, Jon Hume, Ben Schoonover, and John Sence.

The team began its season with a first place finish at the Terrapin Invitational where it took four of the top five places. The team continued winning with a tie for first at the Appalachian State Quad and a first place finish in the UNC Charlotte Cross Country Invitational.

Through it all there emerged a true turning point: the realization that each runner could be one of the country's best. This was sparked

after qualifying for the NCAA Cross Country Championship in 1988 after which the team "gained a great deal of confidence", said Coach Goodridge. It was the team's win at the U.S. Naval Academy Invitational that saw the culmination of this high aspiration. Defeating six of the best teams in the nation, including 1988 National Champion Clemson, the team set an unprecedented standard for themselves. Babcock and Hume took the first and second place finishes respectively. This win moved Wake to the number six position in the nation.

But the team's real glory came with the capture of the ACC Championship title. Babcock finished second and Schoonover, Hume, and Sence all followed finishing in

the top ten. Wake then advanced to the number five spot in the country.

Wake continued on its path to glory, as the team captured the District III title at Furman. This win qualified the team to compete in the NCAA Championship Meet. Wake edged out Tennessee and moved into the number three position in the country. The team then competed in the Nationals and held their third place position following just behind Iowa State and Oregon.

This year's team ranks highest in team history. Wake Forest under Head Coach John Goodridge has established a name for itself in cross country throughout the nation.

# Banner Year for Women Runners

This year's Women's Cross Country team, coached by Francie Goodridge, was the best WFU has seen since 1987 when qualifying for the NCAA Championships. The forty to sixty mile a week practices along with supplementary training in both the pool and the weight room set the Lady Deacons in good step, as they proceeded to have a banner year.

The Lady Deacons started the season off by winning the Tearapin Invitational. Taking the first four places, Letko, Arnold, Powell, and Becker dominated the field. Powers turned in a ninth place finish as the team's fifth runner. On October 6, the team ran to a second place finish in the Navy Invitational. Letko finished third with a time of 17:04, and Arnold fourth with a time of 17:07 to lead the team. This overall finish moved the team to a national ranking of sixth.

Wake next ran at the Appalachian State University Quad on October 7, where the team captured a third place finish. With this achievement, the team proved it did indeed have depth, as the top five runners were not present at this meet. Freshman Kim Many placed fourth with a time of 18:45. Sophomore Heather Turnquist, Freshman Jennifer Olive, and Junior Wimbush also ran well. The next meet Wake Forest went to the UNC Charlotte Invitational. With 21 points, the team took a first place finish, despite the loss of Ann Letko to a foot injury.

On November 3, the Lady Deacons demonstrated their ability, placing third in the ACC meet held in Maryland. Seana Arnold finished first overall in a field of the top sixty distance-middle distance runners in the ACC, a feat never before performed by a WFU runner. Powell and Becker finished sixth and eighth

respectively, thus qualifying themselves for All ACC status. Arnold also received this honor.

Finally, the team finished its season with a ninth place finish in the District III meet. Arnold's second place finish qualified her for the NCAA Championship, while Powell finishing eleventh just missed qualifying. Although the team did not qualify, Seana Arnold earned All America honors at the NCAA Championships placing sixth in a field of 190 of the best runners in the country. All of Wake's impressive finishes throughout the season indicate that the team did indeed have a banner year.

# Racing to Victory

The Deacon Men's Track Team had a strong showing in indoor and outdoor track in 1990.

At the ACC Indoor Championships, Steve Brown set a school record for hurdles while Mike Smith set a school record for the 35 pound throw. Brown's win of the ACC individual championship in hurdles qualified him for a bid to the NCAA track championships. Brown was on of the best 18 in the country in hurdles. Brown and Smith led the Deacons as they set a school record 30 points at the Indoor ACC Championships.

In the outdoor track events the Deacons placed men in the distance events and the hurdles. Seven Deacons turned in performances that placed them in the ACC's top ten best times: Eric Lorenz (4th-steeplechase), Joseba Sarnegui (7th-steeplechase), Mike Guegan (7th-800 meters), Jon Hume (2nd-1500 meters, 9th-5000 meters), Chris Daniggelis (7th-5000 meters), John Sence (10th-5000 meters), and Paul Gauthier (5th-10,000 meters). While the distance runners were placing, Steve Brown was once again setting records in the high hurdles. Brown recorded the best time in the ACC at the Raleigh Relays and qualified for the NCAA Championships.

The Deacons are forging ahead in track and will soon be competing at home.

- Julie Pitman

Steve Brown is in the lead of the pack in the high hurdles. With his second place finish Brown qualified for the NCAA Championships.

Out of a large national field at the Raleigh Relays, the Deacons qualified two teams out of the nine in this relay.

Steve Brown has a smile on his face as he warms up before the relays. He had previously placed in the high hurdle.

A Wake relay runner tries to gain on the opponent so the next runner on the team will have an advantage.

The 1990 Wake Forest Women's Track Team experienced a rewarding season. The women continued to improve their personal records throughout the indoor and outdoor seasons. Tara Haggett broke a school record in the shotput and Carrie Powers improved her record in the 400 meter and the 800 meter throughout the year.

Along with attaining actual track achievements, the women's track team learned to overcome physical setbacks and work as a team. Among the members who experienced injuries were Jennifer Oliver, who was hindered by a stress fracture in her hip. Senior, Susan Crisp encountered some problems, yet she continued to put forth a gallant effort and run well. Likewise, Liz Becker enjoyed a strong Spring season after a stress fracture. Most of the members of the team endured some sort of physical challenge this year.

The team had good showings this season and is looking for good things to happen with the majority of the team returning next year.

- Melinda Hasty

# Rebuilding in Wake Tradition

The 1990 Men's Golf Team is rebuilding after losing four of last year's seniors who led the Deacons to the ACC Championship. Coach Haddock said, "This year is a rebuilding time. It takes a couple of years to rebuild (after such losses)."

The Deacons have one returning starter from last year's team with the majority of the team being freshmen. The team who played at the ACC Championships consisted of one senior, one junior, and three freshmen. The senior playing in the ACC championship was Eoghan O'Connell. He was a member of the Walker Cup Team which consists of amateur golfers from Ireland and Great Britain who tee off against the best amateurs in the USA. O'Connell's team took the Cup from the Americans for the first time since 1971. O'Connell was one of this year's team leaders. He played well in the first three tournaments before he became sick. Coach Haddock said, "He played well for us this spring, but the illness has affected his game some. He is coming back full force for the ACC."

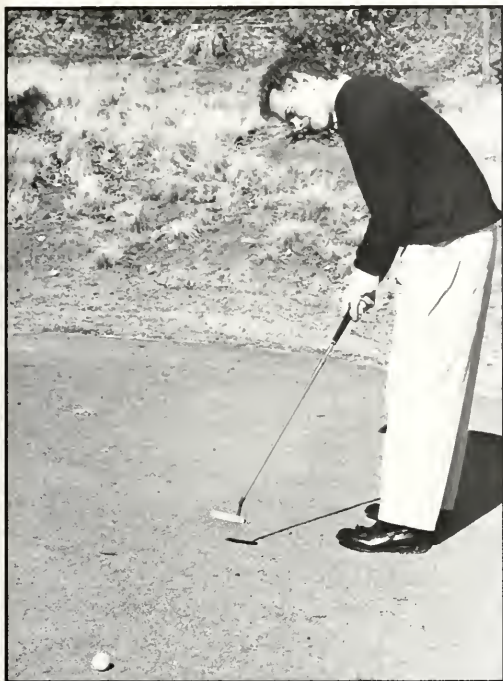

The 1990 golf team had a good year and is building for the future

- Julie Pitman

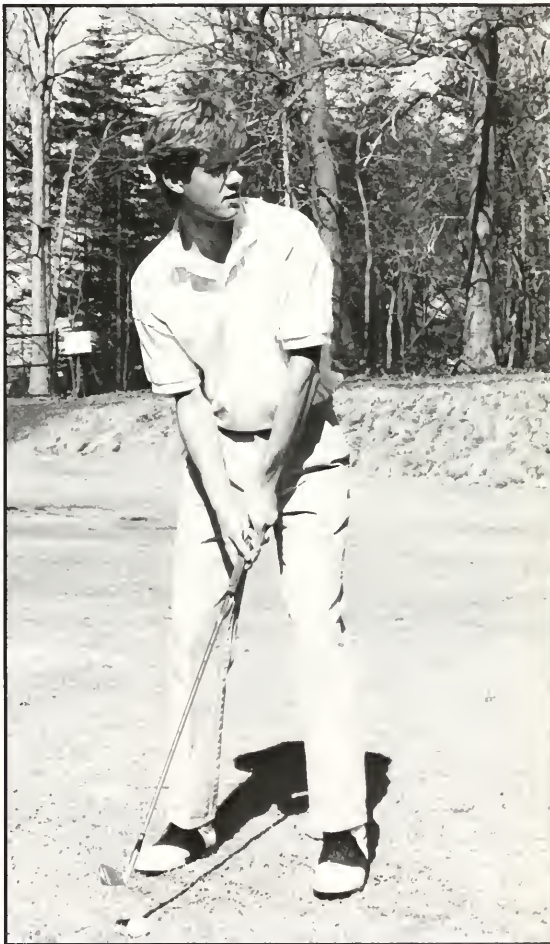

Starter, Eoghan O'Connell puts his power behind his swing and watches to see where the ball lands. O'Connell is the only senior starter for the Deacons.

Senior, Eoghan O'Connell puts another one in the hole as he practices for the ACC Tournament. O'Connell was a 1988 All-American who captured medals and honors in the US Amateur qualifying rounds.

Freshman, Hans Albertsson focuses in on the hole as he gets ready to putt. Albertsson is one of the six freshmen on the 1990 golf team.

Hans Albertsson practices getting his ball out of the sand traps. A freshman, Albertsson was ranked 8th in the nation by Golf Digest for his age group in 1988.

# Growing and Building

In her second year as coach, Dianne Dailey's Women's Golf Team once again opened the season ranked in the top twenty nationally. The nineteenth ranked team got off to a strong start by coming away the winner of the Duke University Invitational in September.

The 1990 team was somewhat unusual in its make-up of three seniors and five freshmen. Coach Dailey felt that seniors, Laura D'Alessandro, Anne Marie Goslak, and Cindy Kodak worked well with the younger members of the squad and provided leadership and

team unity.

Outstanding senior Laura D'Alessandro led the team with individual first place finishes at the UNC-Chapel Hill and the Duke University tournaments. She also finished third at tournaments at Ohio State and the University of Kentucky.

Despite the lack of experience, the five freshmen, Kim Tyrer, Kristi Joiner, Jill Sanders, Elizabeth Brandenburg, and Mariana Iribarre performed well for the team. Coach Dailey was proud of the fact that four out

the five women earned the opportunity to play in at least one tournament.

Coach Dailey felt that the 1990 season was a time of growing and building for the Lady Deacons. The process chiefly involved the gaining of playing experience for the young team. Coach Dailey was pleased with the 1990 season and felt that the talent of the freshmen makes for a promising future.

# Opportunities for All

Intramurals have become an active part of WFU. The participants in intramurals range from Greeks to religious organizations. Everyone and anyone can be involved. There are women's sports as well as men's. This year WFU hosted the Big Four Intramural Events in which WFU students participated against students from Duke, UNC, and NCSU.

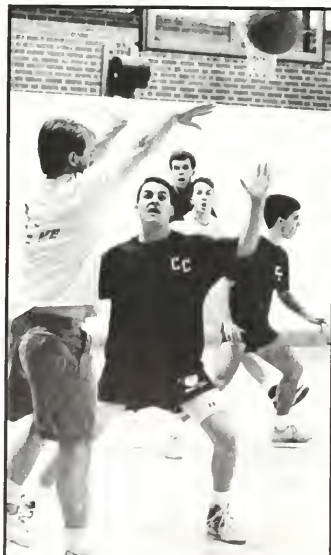

The sports offered by the Intramural Office include: tennis, football, water polo, Iron Deac biathlon, volleyball, soccer, swimming, weightlifting, basketball, bowling, racquetball, wrestling, golf, softball, and cross country.

This years winners include: water polo (men-Kappa Sigs, women-SOS), golf (Jim Welsh), tennis (men-Bryan Durham, women-Patricia Zonneveld), soccer (men-FC Wake United, women-SOPH), football (men-Sigma Chi A, women-Thymes), volleyball (men-Theta Chi A, women-Lynks), coed softball Masterbatters, Iron Deac (men-Dan Smith, women-Elizabeth Cole), and Swimming (men-Theta Chi, women-SOS).

Intramural sports can be played by anyone, even those who like to show off their night attire.

## Disappointing Yet Rewarding

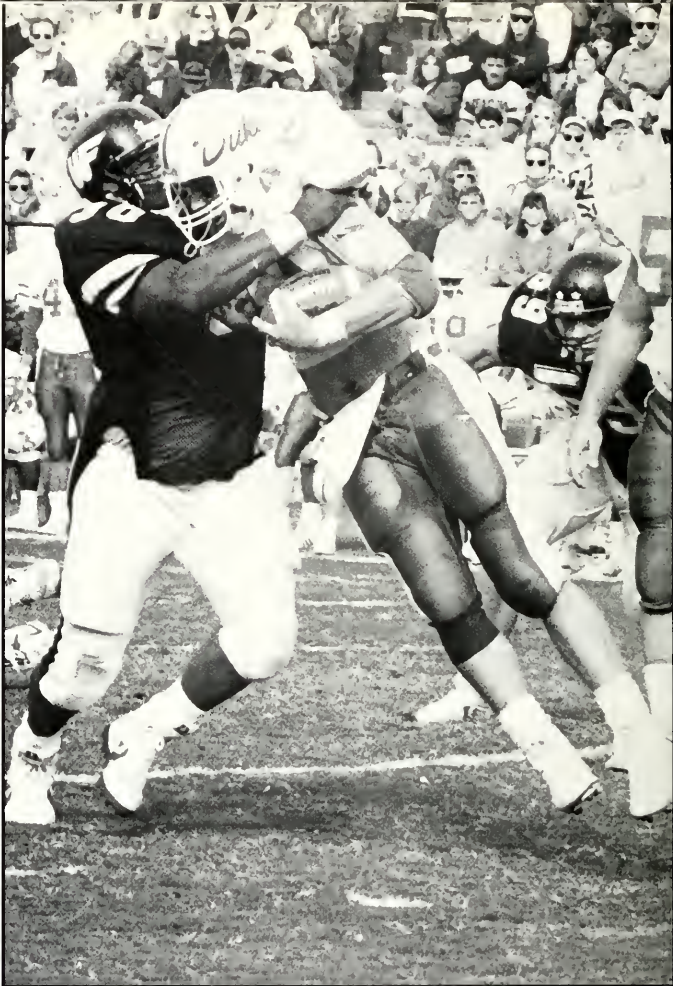

The Deacons football team had a disappointing season with a finishing record of 2-9, but several individuals had an outstanding season. Senior Ricky Proehl broke all previous receiving records and was selected to the 2nd ACC team. Fellow teammate Wilson Hoyle became the most effective scorer and quarterback Phil Barnhill set the single season total yardage record. Coach Dooley said, "I was disappointed that we didn't win a few more, but it was a rewarding year for some of the individuals." Phil Barnhill said, "I would have traded it all in for four or five more wins."

The Deacons two wins came over arch rival UNC and Tulsa. The victory over Tulsa prevented the Golden Hurricanes from playing in the Independence Bowl. Coach Dooley said, "It was a disappointing season. We had opportunities to win others. Our turnovers caused problems. We were close to winning two or three others."

The Deacons are now looking to next season with hopes of victory. Coach Dooley said, "We have good players returning. We need good recruitment to fill the holes. We need student athletes with speed and quickness. Proehl will be difficult to replace." Phil Barnhill said, "We need a more aggressive team, offensively and defensively, more intensity, and big plays with more scoring. If we do those things we'll have a lot more wins."

# Rematch!

"This was by far the most impressive in WFU soccer seasons. Winning the ACC championship was a culmination of three months of hard training and playing," said Coach Walt Chyzowych. The Demon Deacon soccer team has once again surpassed the success of past seasons in compiling a record of 16-4-1. They were ACC champions as well as achieving a ranking of number one in the South and number four in the NCAA.

The Deacons fought hard all season. Every game was important, yet playing well at the end of the season made all the hard work worthwhile. Wake Forest showed this by first defeating USC and forcing them to give up their number one ranking in the South to the Deacons. Wake entered the ACC tournament with confidence. After two tough games against Clemson and Maryland, the Deacons found themselves in the championship against Duke. Wake came from behind to tie the Blue Devils 2-2, sending the game into double overtime and finally a shoot-out. The Deacons did not falter and were triumphant in defeating Duke 3-2, and they thereby claimed first place in the tournament.

The Deacons were to face Old Dominion in the first round of the NCAA tournament. Teamwork and strong play aided them in defeating the Monarchs 2-1. Unfortunately, the next game was against revengeful South Carolina. USC played well and handed Wake Forest their last loss of the season.

"This year we proved to other ACC teams and other teams in the nation that our team under Coach Chyzowych is a power to be aware of. We are a tough, hard-nosed team that won't give in and is not afraid to play our best against any team, regardless of their reputation," said sophomore Craig Conger.

With much talent remaining for next season, the players along with Head Coach Chyzowych and Assistant Coach Jay Vidovich express optimism in continued success. "We're only losing three starters so, with recruiting and the experience of returning players, we should do just as well next season," said Jeff Philips.

# Promise for Tomorrow

The Wake Forest Demon Deacon Men's basketball team started the 1989-90 season under new Head Coach Dave Odom. The team had a strong start and finished the season with a 12-16 record.

In December, in the new Lawrence Joel Memorial Coliseum, the Deacons played Alabama who was ranked 20th in the nation and defeated them 67-65. This showed the caliber at which the Deacons are capable of playing. Coach Odom said, "It was a big win for us."

However, January proved to be a growing experience for the Deacons. They hit a spell in which they could not win. Coach Odom said, "The biggest disappointment was the month long drought we had in January and not being able to come out winning." The team kept playing and never gave up when things were rough. Coach Odom said, "You're never at ease when you're losing, but the coaching staff and team didn't panic. I am proud of them. We didn't throw in the towel. In January and February when other teams were lowering practice time we increased practice time."

The Deacons came out of their slump to win their last three ACC games which proved to be the biggest games of the season. The Deacons first defeated Maryland 84-74. After this victory the Deacons travelled to Virginia where they upset the Cavaliers 51-50. Following the UVA victory the Demon Deacons took to the court in Raleigh where they defeated the N.C. State Wolfpack 93-91. Coach Odom said, "The last two regular season games are the two we will remember most pleasantly because of the atmosphere surrounding them as well as the games themselves."

The team made great strides and is looking forward to next year. Coach Odom said, "We laid a solid foundation with the team this year. The returning players know what to expect and the prospects are talented with lots of promise. We'll have seven old players and seven new players. When they become comfortable together we'll have a good basketball team."

# Looking to the Future

The Diamond Deacons are coming off a strong year in 1989 and are looking for better things in 1990. The team has six returning starters not including the pitching staff. The team lost players from last year, but had several incoming freshmen. Coach Greer said, "A big loss from last year was Frank Humber who was involved in 25 of 35 wins. With the incoming freshmen we're about the same as last year, but the future is ahead of us."

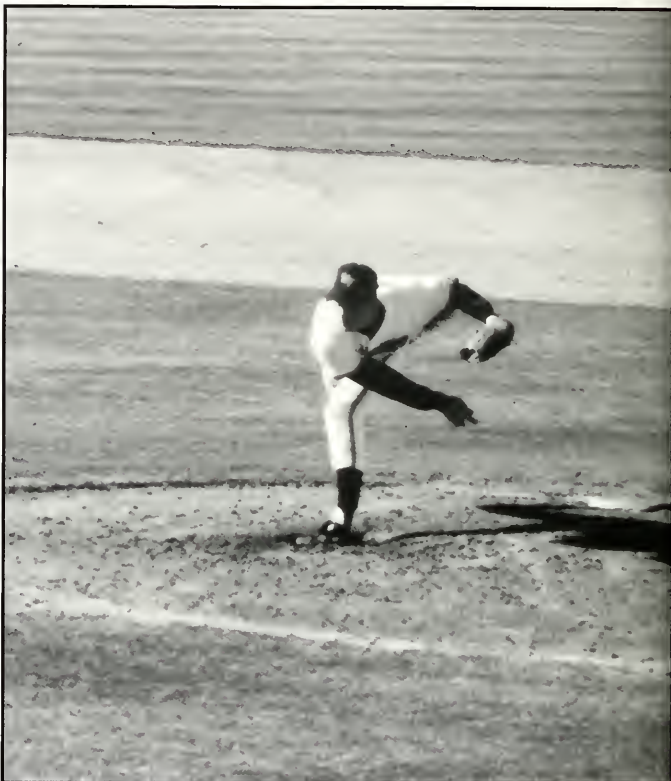

The team started well with a 22-14 record. Midway through the season the team had scored 15 homeruns, was batting .318 and had outscored their opponents by 100 runs. Coach Greer said, "That's just a little bit better than last year."

The Diamond Deacon seniors have been contributing where they are able. Larry Colbourne, Greg Cox, and Brian Shabosky are still contributing while Buddy Jenkins has been side lined with shoulder surgery and will be out the rest of the season. Jenkin's injury is not the only one that plagues the Deacons. George Coghill has a bad shoulder, Brian Shabosky and Chris Kowilcik both have bad ankles while one baseball-football player has a broken nose. The pitching staff has also had an assorted degree of injuries. Coach Greer said, "We have had more injuries than last year."

This season has some events well worth highlighting. Brian Shabosky became the all time base hit career leader at WFU on April 1 against UNC. Also, Warren Sawkiw hit a homerun at ETSU that measured 492 feet, and Brian Shabosky hit a three run homer against Marshall.

The goal for the Diamond Deacons is one that other teams have set and would like to prevent the Deacons from reaching. Coach Greer said, "We want to get a good seed for the ACC Tournament, win the ACC, go to the NCAA Tournament, and win the NCAA Tournament."

# Matching Up with the Best

With both top veterans and very talented freshmen, this year's Women's Tennis team possessed the talent necessary to face its stiff competition. Under the direction of Coach Lew Gerrard, the Lady Deacons suffered few injuries and proved to be the team Gerrard had hoped.

The Lady Deacons opened their season with a 8-1 victory over Richmond. Winning all six singles matches in straight sets. Senior, Beatrice Guery played a good match against her opponent, winning 6-3, 6-0. With this win, she proved to have successfully recovered from her operation just ten months before the start of the season.

The team then travelled to Tennessee to move the record for the season to 1-1. Moving on to Virginia Tech, the team avenged its recent loss with a 9-0 victory over Tech. This win improved the team to 2-1 in the season. Once again, number one seed Guery won her match, with the two seed Freshman Celine Tourmant also winning her match.

In March, Gerrard's team met both Boston College and twenty-fifth ranked Harvard. In both matches, the Lady Deacons proved victorious, with the winning scores of 6-3 and 7-2, respectively. Wake saw four singles wins against Boston College: Guery, McKeon, Zawacki, and Senior, Noelle Paschon. In the win over Harvard, there were five singles matches won, and two of the three doubles matches won. March 25, was the first ACC match-up for the Lady Deacons against Maryland. Guery, Tourmant, Dallwitz, McKeon, and Zawacki all helped capture the victory with their individual wins. The team next defeated N.C. State 6-3. The team advanced its record to 7-9 and 2-3 in the conference.

The 1990 Women's Tennis team certainly set a name for itself with its impressive season. The team will miss seniors Beatrice Guery, Lisa Pamintuan, and Noelle Paschon, but Coach Gerrard knows his team will prove successful in the years to come.

# Leading to Victory

Returning for his sixth season as head tennis coach, Ian Crookenden coached yet another successful team during the 1990 season. Although faced with the loss of two key players, Coach Crookenden realized the potential of his team under the leadership of such players as Senior Gilles Ameline. Ameline, other returning players, and new freshmen recruits placed the team in good standing to face its opponents.

The team opened its season at West Virginia where senior Justin Chapman and sophomore Brian Powell celebrated their 6-3, 6-1 doubles win over their opponents. The team next travelled to South Bend, Indiana to compete with Colorado, Notre Dame, and Ohio State. Defeating Colorado, the Deacons secured their first win of the season.

In February, Ameline competed in the Rolex National Indoor Intercollegiate Championship. After victories over the 43rd and 8th ranked players in the nation, Ameline progressed to the Consolation Singles Finals. Here he accumulated enough points to place in the top ten nationally.

The Deacons continued their winning style at the Leighton Tennis Center with victories over William & Mary and Old Dominion. While competing with William & Mary, the team won five out of six of the singles matches and the number one seed in the doubles. Another win came with the defeat over Miami of Ohio. Winning all but the number three singles match, the team captured a 6-1 win.

In mid March, Crookenden's team suffered several injuries and illnesses which called for both altered lineups and altered doubles pairs. Playing other ACC teams such as Clemson and Duke, Ameline continued to make a good showing, continually winning his matches. March 21 saw the defeat of Davidson with a score of 5-1.

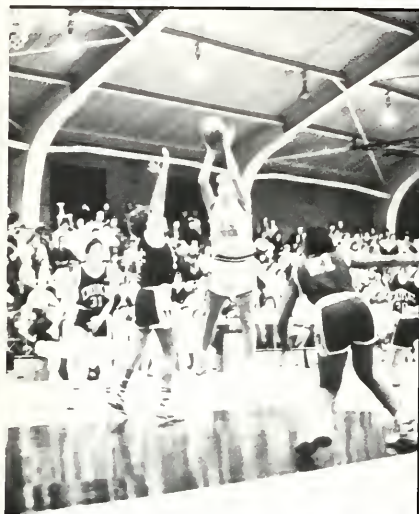

Although this year's team was young, the Deacons performed well with victories in and out of the ACC.

# "So Close, Yet so Far"

- Coach Sanchez

The Lady Deacon basketball team finished the 1989-1990 season with an overall 16-14 record and a 5-9 record in the ACC. The Lady Deacons started the season with high expectations and hopes for tournament play.

The Deacons won 12 of their first 14 games including a victory over West Virginia. Coach Sanchez said, "Defeating West Virginia showed what we could do when we were healthy." However, the Lady Deacons were injury prone. Starting center, Lisa Dodd went out for the season with a knee injury in the 6th game of the season. Coach Sanchez said, "All in all the season was plagued with injuries. We had seven different line-ups that led to some inconsistency. We could have done more if we didn't have as many injuries." The ladies gave it their all and some continued to play with injuries while others came off the bench to contri-

bute. Coach Sanchez said, "After Lisa Dodd's injury, Sara White came in and did a fine job for us this year. Also, Dee Gibson and Colleen Bentz came off the bench and did good jobs for us."

As the season progressed the Deacons began conference play where several of the games went down to the last shot. The Deacons played several exciting games but the most memorable according to Coach Sanchez were the two losses to UVA where the Deacons had a chance to win on a last second shot, and the victory in Maryland. The Deacons played close in the ACC games and fluctuated in and out of the top 25 this season. The Deacon's are young and optimistic about next year. Coach Sanchez said, "At times we had the youngest team in the conference on the floor with freshmen, B.J. Thames, Vickie Henson, Sabine

Slone, Beth Davis, and Jenny Mitchell." Mitchell and Davis were both selected to the All-ACC team. Coach Sanchez said, "We had an outstanding year from Jenny Mitchell. She kept us together and was a key factor in every ballgame."

The Lady Deacons are looking to next year and must replace senior guards, Cathy Wille and Lisa Carter. Coach Sanchez said, "We have a good strong recruiting class coming in which will definitely help us fill in the holes left by graduating seniors." With a young returning team and a strong recruiting class the Deacons will have a great shot for the title. Coach Sanchez said, "If we stay healthy we will go far. We'll be closer than ever at a shot for the ACC title."

FALL

When the beer is flowing, these Theta Chi's have something to smile about.

These junior SOPH's show what pledge night is all about.

Left : Pledge night candy necklaces aren't just worn by pledges.

Below : These KA's enjoy the southern comfort of brotherhood.

Rejoice rush survivors - pledge night arrived! Two weeks of meeting new friends and making choices culminated into one intoxicatingly exciting celebration. Bids went out for the men on Sunday and Monday, as noted by the fraternity brothers singing songs while gathering together their new pledges. The women had to wait until the day of Pledge Night, when joyful screams echoed throughout the campus.

Candy necklaces, kiss lists, and hook-ups were all incorporated into the pledge night tradition at one party or another. Not just the pledges, but the older Greek brothers and sisters enjoy this special night as well. They, too, had the opportunity to make new friends, an opportunity few would pass up.

A common sight outside Wake Forest parties.

An important part of Greek life was the Brian Piccolo Cancer Fund Drive, that is held every year in the fall. Along with other organizations, each Greek group put alot of time and effort into raising money for the fund. After a couple of weeks, a check from all participants was presented at the last football game. Fundraisers ranged from selling hotdogs, to Dance-a-Thons, to selecting the "Ugliest Man on Campus". Although hard work and determination was involved, the fundraisers were fun for the Greek members, and aided the fight against cancer. The annual Brian Piccolo Cancer Fund Drive was an important part of Wake Forest tradition, and an integral part of Greek involvement.

## At Play

# ΑΦΩ ΑΦΩ

Have you ever wondered just what lies behind the blue door in the basement of Kitchin? Well, the answer is the lounge of the Kappa Theta Chapter of Alpha Phi Omega, the nation's largest Greek letter fraternity. We're a co-ed national service fraternity with a comprehensive service program to the University, to the community, to our chapter, and to the nation. Some of our projects include volunteering at the American Red Cross bloodmobiles and blood banks, volunteering at the Samaritan Soup Kitchen, participating in the Forsyth County Big Brother Big Sister program, sponsoring a dance in the Pit for a charity, running the Book Exchange as an alternative to the University Bookstore, and running a taxi service before major breaks in the school year, and that's just to name a few.

Service is fun and brings us closer as a brotherhood, but we do have our social side too! Like most fraternities, we party and play intramurals. Our newly named formal "White Cross and Sabat," which is held in the spring, gives us all a chance to dress and dance the night away! To top off the year, we hit the beach after exams in the spring. Finally, a chance to cool it and have fun without the guilt of ignoring homework! If you're a service and fun-minded person, come check us out! We're interested in you!

This past year saw the brothers of Xi Eta Chapter of Alpha Phi Alpha Fraternity, Inc. enjoy an exciting and rewarding year as we kept with the traditional standards and goals of the original founders of the organization which includes giving service back to the community. We co-sponsored a Penny Drop for disadvantaged children at Christmas with the Pi Beta Chapter of Alpha Kappa Alpha Sorority which enabled us to purchase approximately \$400 in toys. Throughout the year we organized food drives which enabled us to donate \$300 in food to Cnss Control. We also raised money for the Xi Eta Scholarship Fund to be given to high school seniors, the Binan Piccolo Cancer Fund, and the Sickle Cell Anemia Fund. We also served as positive role models by tutoring at Phillips Chapel Baptist Church and by adopting children from Cooke Middle School.

As well as being a service organization, we are a social fraternity. We party with brothers from all area schools and bring step shows to campus. We coordinate programs with the Beta Iota Chapter of Alpha Phi Alpha at Winston-Salem State University and the Pi Beta Chapter of Alpha Kappa Alpha Sorority at Wake Forest.

What is a Delta? A Delta is one who treasures the public service ideals, the commitment to the black community, and the strong sisterhood which is shared by every member of Delta Sigma Theta Sorority, Inc.

The Pi Omicron Chapter of Delta Sigma Theta can be found active in many areas of public service--the Wake Forest campus, the Winston-Salem community, and beyond. The Chapter strives to enhance black life on campus by continuing the book fund in the Z. Smith Reynolds Library, donating a portrait of Dr. Martin Luther King, Jr. to the University, establishing a scholarship, and increasing black awareness through Black History Month programs.

In the Winston-Salem community, the Chapter tutored and donated books to the Cleveland Homes, collected clothes for Goodwill, and co-sponsored a Christmas party for children in the community with the Theta Chi Fraternity.

As the first national sorority at Wake Forest, the Pi Omicron Chapter of Delta Sigma Theta continues to grow. The eight members of the "Jeopardy" fall line joined the Chapter in its integral part of Wake Forest University.

## Fideles

These Fidele Seniors sing a tribute to the strong bonds of sisterhood. Preparations for Pledge Night take a lot of imagination.

The Tau Chapter of Kappa Alpha Order has been on the Wake Forest campus since 1881. The KA's pride themselves on their exciting social functions, GPA's, brotherhood, and their community service. The Tau Chapter has received the IFC Community Service Award for the past two semesters.

Each fall the Kappa Alpha Order enjoys attending the football games to cheer on the Demon Deacons by singing the songs of brotherhood.

Every spring, the KA's celebrates with two of their biggest parties, the first, occurring usually in February, is the Southern Gnt party. This is held in the KA lodge. Hay is usually scattered on the floor with chickens running about to give the lodge a "down home" effect. The Old South Ball, occurring in March, is the annual formal. Keeping with the Southern tradition, the brothers dress in Confederate uniforms while their dates dress as Southern belles.

The KA's enjoy their spring formal, Old South.

This group of guys go to the great outdoors to enjoy the brotherhood of the Kappa Alpha Order.

The Phoenix definitely have Deacon spirit as shown by their participation in the Homecoming Parade.

Pledge night is not only fun for the pledges, but for the sisters as well.

Sitting on the ΠΚΑ wall is a usual afternoon event for the brothers of this fraternity.

Serving beer on tap, these Pika brothers look like they need a beer themselves.

# S.O.P.H.

Sharing the love of blue and white, gar-  
ters, and the true meaning of S.O.P.H., our  
society is stronger than ever! In our 33rd  
year, we remain an integral part of the uni-  
versity. S.O.P.H.'s are leaders among  
Wake Forest's Judicial Board, Honor  
Council, Cheerleading squad, Band,  
Tennis team, and Student Union - just to  
name a few. Our many good times this year  
included South-of-the-Border party with  
Sig Eps, co-sponsoring the Rub-a-Dub-a-  
Thon, and Biker Party with Sigma Chis. Of  
course, the most memorable events are our  
traditional functions, the Rose and Candle  
formal, the Sun and Sandals semi-formal,  
and the Wild Blue Yonder suitcase party.  
We have worked together for the com-  
munity through the College Fund Telethon,  
the Brian Piccolo Cancer Fund Drive, and  
the Winston Salem Shelter and Soup Kit-  
chen. No matter where we are - parties, in-  
tramural sports, or S.O.P.H. lunch - we are  
building a sisterhood that will last even  
beyond our time at Wake Forest.

Even though it is only their second spring rush, the Sigma Nu parties are always full. The Sigma Nu's always enjoy theme parties and dress accordingly.

Sigma Nu Fraternity: James Andrews, Brian Best, Justin Doran, Stu Egan, Lyn Exum, Rich Faust, Dan Geijer, Greg Hockworth, Scott Hagaman, David Howard, Jon Hume, Pete Jones, Tom Jones, Dave Koontz, Chip Law, Owen Lewis, Jason Miller, Charles Nelson, Todd Pyle, Steve Ricci, Dave Riggins, Mark Sanger, Jonathan Sargent, Mark Seagle, John Sence, John Skinner, Tyler Smith, John Spencer, Chris Stolzer, John Trainer, John Wooten, Jeff Zoller

Encompassing the values of Love, Truth and Honor, Sigma Nu strives to build better men. This included taking a pledge class of four in the fall and fourteen in the spring. Only one year after the restructuring, the brotherhood continues to grow and strive toward higher goals.

In the midst of all of this, the Lambda Alpha Chapter engaged in "a veritable plethora of exotic adventures" this past year including: Dancin' in the Sheet-Parts II & III with the Thymes and Tn-Deltas, a weekend at headquarters in Lexington, a Nautical Party with Fideles, White Star and White Rose Formals, the 2nd Annual weekend at Koontz's, Homecoming party with Phoenix; numerous brothers' nights out, many other successive theme parties with Lynks, Strings, and Delphi; and a brand new stereo!

Within the community, the Gentlemen of Sigma Nu volunteered a great deal of time to service wants ranging from weekends with Habitat for Humanity, a Christmas party for the underprivileged children in Winston-Salem and participation in the Hunger Clean-up to the Dance-A-Thon and subway sak with Subway Subs and WSJS for Brian Piccolo.

Sigma Nu continues to look forward to another successful and prosperous year and to strive at Wake.

Volume 88 of Wake Forest University Howler was published by the Hunter Division of Jostens Printing and Publishing in Winston-Salem, North Carolina, using the offset lithography process. The trim size of the 1990 Howler was 9x12 and contained 336 pages. The book was printed using 100% black ink.

The 1990 Howler was Smythesewn with 160 point binder boards and headbands. The cover is a white lithograph lexotone with a four color photograph of the walls in Tribble Hall. All lettering on the cover is applied via a gold foil stamp.

All color transparencies were laser scanned using 150 line screen for individual reproduction. Color transparencies and prints were processed and printed at Talton Colortronics, Inc. of Winston-Salem, North Carolina. Endsheets photographs were supplied by the University Editor's Office. With a few exceptions, all photographs were taken by the Student Publications Board Photography Staff using Kodachrome and Ektachrome film.

All black and white photographs were individually reproduced using a 150 line screen. Student portraits were photographed and processed by University Portraits of Raleigh, North Carolina.

The 1990 Howler contains 64 pages of four color, 24 pages with 100% spot color (PMS300-blue, PMS199-red, PMS 341-green), and 24 pages contain process color in varying percentages (cyan and yellow). Spot color was chosen from the Pantone Matching System.

Typesetters were as follows, with a few exceptions: Body copy in 10pt souvenir light, captions in 8pt souvenir light, photo credits in 6pt souvenir light. Headlines vary throughout the book at the discretion of the section editors.

The Howler was allotted \$55,120 from the Student Budget Advisory Committee for the Publishing of the 1990 Howler and maintenance of the Howler office. All expenses incurred which exceeded the budgeted amount were paid from incoming revenue from student portrait commissions and advertisement sales. All advertisements, with a few exceptions, were sold and managed through Yearbook Press Ltd., based in Marietta, Georgia.

The Howler has a press run of 2750 with a contracted delivery date of August 25, 1990. There is no charge per book for students. The 1990 Howler was prepared by a volunteer staff selected through an application process. Section editor positions were filled by an application process and through interviews. The 1989 Student Publications Board elected the 1990 Editor-in-Chief of the Howler to serve in that position.

Opinions expressed within are those of the individual authors and are not necessarily those of the students, the administration, the faculty, or the staff.

I will be forever grateful to Vivian Roebuck for being such a great editorial role model and for taking me under her wing. She helped me interview for a staff and guided me through the tangles of publishing. Thank you for your unending devotion and I promise not to call so much next year. With her guidance, I selected a new staff to replace the almost completely graduating staff. I'm very fortunate to have had this new dedicated and energetic staff working with me. As you may have noticed, this book uses less copy and more pictures. This style of publication was considered more effective and more attractive by our staff. Deciding upon a theme was probably the hardest aspect of publishing our yearbook. I want to thank Marian House for coming up with "Updating a Classic" which our staff adopted to be our main theme. I would also like to thank the editors of the 1958 yearbook for their contributions on our division pages that helped carry this theme throughout the book. It should also be noted that the photographs that made up the "Reviewing a Classic" spread were contributed by the University Archives.

I would like to thank each and everyone of my staff members; you don't know how much your loyalty and dedication has meant to me. Marian, sorry I made the student life section so long. I know that placed a strain on you for topics to cover. Your section was the hardest and, in my opinion, you handled it with the utmost grace. I look forward to working with you again. Rebecca, I really enjoyed our long conversations and I'm very happy that the greeks section turned out so well. Thank you Ginger as well for the greeks section. Of course, I won't be lending you my keys anytime soon, but I want you to know that we'll miss you next year. John, sorry for all the jokes about the academics section, and for hiding all of the contents of your desk, and for telling you that the first deadline was destroyed, etc. You were a good sport about them all. I'm very pleased with your work on the academics section. (even if it is the smallest!) And I hope you do as well or better on the organizations next year. Julie, I gave you the most latitude of all the staff members. I hope I didn't appear uncaring because I don't know what I would have done without you working the sports section. I am well aware of the time and effort it took to put that section together and I'm truly sorry that your co-editor bailed out on us. I appreciate all that you did to make the sports section great, and hope next year will be easier. Kristina, I want to thank you for numbering the photo stickers for the entire classes section. That alone was a mammoth task. Thanks also to our faculty advisor, Sarah Burton, someone to talk to that always had a practical answer. (Thanks for the computers.) I really want to thank the photography staff, especially Janet Ramey. I know we had our problems, but everything looks great and without the photography this book would be rather dull. Thanks for taking all of those sudden assignments for us. Best of luck in the future. Thank you Steve Larsen for transmitting our photographic wishes to the photography staff and for your photographic contributions. I would also like to thank all of the staff members, both photography and yearbook, for their time and contributions to this publication. I look forward to working with almost all of you next year. Lastly, thanks to everyone who helped us to put this book together.
